Certificate

for European Product Safety

Reference No. 909008

Towel rail

Type designation	CM**S, CM**ST, CM**RS, LS**RS, TH*ST, TH*RS
Certificate holder	**AB Somatherm** **Box 900** **671 29 Arvika** **SWEDEN**
The product complies with the standard(s)	EN 60335-1:2002+A11+A1+A12+A2+A13 EN 60335-2-43:2003+A1+A2 EN 62233:2008
Date of expiry	28 September 2014
EU Directive information	*The product satisfies the provisions for CE marking according to the Low Voltage Directive 2006/95/EC.*

Additional information in Appendix.

Certification Body Intertek Semko AB, Product Certification — *Place* Kista - Stockholm

Signed Christoffer Johansson — *Date* 28 September 2009

This certificate is issued in accordance with the terms and conditions set out in the Appendix.

Appendix

Reference No. 909008

Technical data

Type designation	CM**S
Rated voltage (V)	230
Rated power (W)	50-80
Class	I
IP-Class	44
Brand name:	Somatherm
Product information	Heating element in horizontal position. The first asterisk* can be the letter B or it can be excluded. Indicates different sizes. The second asterisk* is different numbers. Indicates different rated input power and sizes. The end letter S indicates: No temperature control.

Type designation	CM**ST
Rated voltage (V)	230
Rated power (W)	50-80
Class	I
IP-Class	44
Brand name:	Somatherm
Product information	Heating element in horizontal position. The first asterisk* can be the letter B or it can be excluded. Indicates different sizes. The second asterisk* is different numbers. Indicates different rated input power and sizes. The end letter ST indicates: Thermostat built-in to heating element.

This Certificate is for the exclusive use of Intertek's Client and is provided pursuant to the Certification agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this certificate. Only the Client is authorized to permit copying or distribution of this certificate and then only in its entirety. Use of Intertek's Certification mark is restricted to the conditions laid out in the agreement. Any further use of the Intertek name for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. Initial Factory Assessments and Follow up Services are for the purpose of assuring appropriate usage of the Certification mark in accordance with the agreement, they are not for the purposes of production quality control and do not relieve the Client of their obligations in this respect.

Appendix

Reference No. 909008

Type designation	CM**RS
Rated voltage (V)	230
Rated power (W)	50-80
Class	I
IP-Class	44
Brand name:	Somatherm
Product information	Heating element in horizontal position. The first asterisk* can be the letter B or it can be excluded. Indicates different sizes. The second asterisk* is different numbers. Indicates different rated input power and sizes. The end letter RS indicates: Adjustable electronic temperature control.

Type designation	LS**RS
Rated voltage (V)	230
Rated power (W)	60-175
Class	I
IP-Class	44
Brand name:	Somatherm
Product information	Heating element in vertical position. The first asterisk* can be the letter H or V or it can be excluded. H indicates that the electrical connection is located at the right side. V indicates that the electrical connection is located at the left side. Excluded letter indicates that the electrical connection is reversible. Left or right side. The second asterisk* is different numbers. Indicates different rated input power and sizes. The end letter RS indicates: Adjustable electronic temperature control.
