

Safe use notification statement

CTC EcoAir 600M-family

In June 2007, the European Union Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals ("REACH") entered into force. This Regulation establishes specific duties and obligations on companies that manufacture or import substances on their own, in mixtures or in articles in the European Economic Area (EEA).

CTC AB is committed to complying with all applicable REACH obligations.

Under REACH Article 33, a company has a responsibility to communicate sufficient information available on Substances of Very High Concern ("SVHC") on the Candidate List for Authorisation contained in their articles in concentrations above 0.1 % w/w to their customers and, upon request, to consumers. The information given in this statement is based on the Candidate List of SVHC as of *January 23rd, 2024*.

Based on information currently available from our suppliers and to the best knowledge of CTC AB, the following SVHC(s) have been identified in products delivered to you in a concentration above 0.1 % w/w.
