Specification

|                  |                                                      |
|------------------|------------------------------------------------------|
| Application area | for connecting CENTUM square profiles.               |
| Specification    | high-strength corner connection with profile support |
| Profile          | CENTUM                                               |

Technical data

|               |                    |
|---------------|--------------------|
| Material      | Steel              |
| Material type | S235               |
| Surface       | hot-dip galvanized |

Product details

|                      |                |
|----------------------|----------------|
| Elongated hole       | 14x40 mm       |
| Profile type         | XL 100, XL 200 |
| Material thickness   | 6 mm           |
| Width material       | 102 mm         |
| Length wing 1        | 230 mm         |
| Length wing 2        | 140 mm         |
| load $F_x$           | 64 kN          |
| load $F_z$           | 64 kN          |
| limited torque $M_y$ | 2,34 kNm       |
| Angle                | 90 °           |
