382 Inspected by DTI

The signed addendum to the inspection agreement gives permission to use Danish Technological Institute's logo and inspection mark, "Inspected by DTI", combined with the identification number of the inspection agreement, 382. The mark can be used on products and packaging and in connection with specific and unambiguous sales promotion of the products/approvals included in Appendix A. The mark must not be used for general advertising, etc. unless a specific permission is given by DTI. The inspection mark shall be in accordance with the graphic files that were forwarded by email. The addendum is valid as long as the inspection agreement is in force.

Product:	Water meter
Product category:	Device
Name:	Approval:
Diehl HYDRUS ultrasonic water meter, type 171A and 171B	Approval body: RISE Certifying
Dimension: DN 15, 20, 25, 32, 40, 50	Number: SC0935-17
	Date: 06-09-2017
	Expiration date: 05-09-2022
	Scope: INSP, AT
	Method: NKB 9 CR 074
Name:	Approval:
Diehl Metering HYDRUS type 171	Approval body: Godkendt til drikkevand
Material: Body: CW724R. Other components: Plastic/elastomers	Number: 05/00013
	Date: 01-12-2017
	Expiration date: 30-11-2022
	Scope: INSP
	Method: Executive Order No. 1007 and the guidelines' requirements for annual inspection - Annex A

Product:	Water meter
Product category:	Device
Name:	Approval:
Stationary ultrasonic water meter, HYDRUS 2.0 type 173	Approval body: KIWA Sverige AB
Dimension: 15, 20, 25, 32, 40 mm	Number: 1668
	Date: 02-07-2020
	Expiration date: 01-07-2025
	Scope: INSP, AT
	Method: NKB 9 EN 13959

Approval holder: Diehl Metering GmbH, 91522 Ansbach
Place of inspection: Diehl Metering GmbH, 91522 Ansbach
